Alexandra Stan was born on June 10, 1989 in Constanta, on the Black Sea shore. She studied at the Traian Highschool and now she is a student at the Faculty of Management „ Andrei Saguna“ . From a very young age Alexandra showed a special interest in music singing known melodies and even creating her own songs. She grew up and evolved surrounded by music and dreaming at the days when she herself would be a singer. She participated in various music-related contests winning a lot of awards. The most recent festival in which she participated was Mamaia Music Festival in 2009 where she had a beautiful apparition. She is a sensitive soul and a happy person who believes in the shiny side of life.

The road towards musical success and a creative career was opened to her by the team at Maan Studio, Marcel Prodan and Andrei Nemirschi, who provided her with a new way of expressing herself. Alexandra became known worldwide with her first single „ Lollipop“ and she made everybody trust her musical talent. In short time after launching Lollipop she appeared on many radio stations and shows at romanian TV channels. Her second single Mr Saxobeat which also became a no. 1 hit made her to come out of the shell. She is becoming more aware of what she can do. Mr. Saxobeat reached the first places in the international music tops and held there for weeks.

The international public gave her a great feedback and lots of requests from abroad lead to her first tour in

Alexandra Stan s-a nascut la data de 10 iunie 1989 in Constanta (zodia Gemeni). A urmat studiile la Liceul Teoretic Traian din orasul in care s-a nascut si acum este studenta in anul II la Facultatea de Management Andrei Saguna. A participat la diferite concursuri pe teme muzicale cu o aparitie notabila la Festivalul de la Mamaia sectiunea interpretare.

Acum 20 de ani intr-o zi de vara mama mea s-a indragostit de numele de Alexandra si asa am devenit cine sunt: Alexandra Stan. Ce va pot spune despre mine este ca sunt o fire pasionala si pasionata de artele frumoase. Muzica a fost si a ramas prima mea dragoste inca de la varsta de 3 ani cand m-am intalnit cu prima mea muza: mica sirena Ariel. Asa mi-am descoperit inclinatia spre muzica si de atunci ea a fost prezenta in ficare zi din viata mea pana cand a pus stapanire complet pe mine. Intrarea in industria muzicala am facut-o datorita baietilor de la MAAN Studio (Marcel Prodan si Andrei Nemirschi) fiind cei care au crezut cel mai mult in mine aduncandu-ma in echipa lor. Acum ei sunt cei mai buni prieteni ai mei si avem o colaborare de invidiat atat in studio cat si in afara lui. Acest site imi permite sa comunic si sa ma imprietenesc si cu voi sperand ca vom ajunge la fel de buni prieteni 😊

Stiu ca o sa va placa de mine si sper sa ne vedem cat mai curand live, pana atunci veti afla mai multe despre

pana atunci veti aia mai multe despre  
mine din melodiile mele viitoare, toate  
fiind inspirate din viata mea.

Va pup :\*
